Personal information

To assist in making ownership determinations, the Registrar must assess the fitness and propriety of each applicant. This assessment requires the collection of sensitive information. In order to protect each individual's privacy certain necessary information has not been requested on the application form, however, all applicants must read the following questions.

1. In the past 10 years, have you been convicted of, or is there a pending charge against you, for any offence involving:
 - a. Violence against a person; or
 - b. Dishonest or criminal activity; or
 - c. Cruelty to animals.
2. Have you ever been convicted under the Australian Rules of Racing or rules of any racing authority?

If any applicant should answer "yes" to any of these questions, the applicant must notify the Registrar in writing prior to the lodgement of the application. Such notification must include full details of the conduct in question. The Registrar will advise in writing within seven days of having received such notification. That advice should be retained by the applicant as evidence that the appropriate notification has been made. You are advised that should it be established that an individual has neglected or failed to truthfully respond to questions 1(a), 1(b), or 2, this application and any other application concerning the individual may be refused or cancelled at any time. If the notification has previously been advised to the Registrar, there is no need to do so again.

The Committee of any Club or the Stewards may punish any person who makes any false or misleading statement or declaration in respect of any matter in connection with the administration or control of racing under AR175(gg). Inaccuracies or omissions may also lead to penalties and refusal or cancellation of the Registration of this horse (AR17).

The Registrar will use that information to assess your application and if approved, your ongoing status as an owner. To do that, the Registrar may disclose your information to other racing bodies.

On occasion, the Registrar may disclose names and contact details to racing organizations including race clubs and owners or breeders associations. However, this information will only be disclosed when the Registrar is of the opinion that such communication may be of interest or benefit to you. If you do want to receive such communication, you may advise the Registrar of that fact at any time. You can gain access to and request changes be made to your information held by the Registrar at any time.

You do not have to supply the information requested, but if the information is not provided the Registrar may refuse to accept your application.

1. If your horse interests are registered under GST Legislation, you are required to provide the applicable ABN so that prize money payments can be grossed up with the GST portion. Each person or entity that is GST registered should nominate the applicable ABN.
2. In the case of Syndicate members who are GST registered, GST details cannot be specified – the Syndicate must be registered for GST.
3. If the first named owner/entity (manager) provides bank account details, prize money payments can be made direct to the nominated bank account.
4. In NSW only, prize money payments can be made to individual owners/entities only when all owners/entities provide bank account details.
5. For QLD prize money payments, if a separate payment is required by Cheque, an \$11 fee will be charged.
