

An extension to your current lease can only be approved if all particulars within the lease extension remain identical to the current lease.

Consequently, if any share holdings, share percentages or personal details have changed you must complete a new lease via the 'Thoroughbred Lease of a Racehorse' application form.

This application to extend a current lease must be submitted prior to the current lease expiring. Note; an expired lease is not a current lease. It is hereby agreed that the current lease of the below horse be extended as outlined below:

Name of Horse _____ Expiry Date of current Lease: (dd/mm/yyyy) _____

Lease extension commencement Date:: (dd/mm/yyyy) _____ Lease Extension Expiry Date: (dd/mm/yyyy) _____
