Ear Brand		Colour	
**Person in charge ¹		Person in charge licence number	
Person in charge connection to greyhound	Circle most appropriate: OWNER BREEDER TRAINER OTHER: (please specify)		
Kennel Address			
Responsible person ² 1		Responsible person 1's licence number	
Responsible person 2		Responsible person 2's licence number	
Responsible person 3		Responsible person 3's licence number	
Responsible person 4		Responsible person 4's licence number	
Previous Application Race-day Approval number ³		Current Behavioural Modification Barking Exemption Approval Number (if applicable)	

- I declare the above-named greyhound suffers from excessive barking at race meetings requiring short-term use of an approved barking muzzle.
- I understand it is my responsibility to ensure any person caring for the greyhound at a race meeting will receive sufficient training from myself or a responsible person and, if not listed above, will be monitored by a responsible person listed above.
- I understand if the location and care/ownership/trainer of the above-named greyhound changes permanently, any barking muzzle exemption is rendered invalid, and a new application must be submitted by the new Person in Charge.
- I understand that if an OTV rules that the barking muzzle is causing welfare concerns on race day, I may be instructed to remove it.

Name: _____ Signature: _____

Date: _____

¹ Person in Charge mean – person who takes ultimate responsibility for the care and welfare of the greyhound. May be owner/trainer/breeder or another licenced person.

² Responsible person means – person/s responsible for applying and monitoring barking muzzle use.

³ Must be completed if previous exemption approval has been provided. Can be found on the approval letter
