---

The QRIC stewards convened a stewards' inquiry in respect of:

1. Sample 553405 collected from See You Again at the Capalaba Greyhound Racing Club on 10 March 2024, which sample was shown to contain 5b-androstane-3a 17b-diol at a level above the regulatory threshold specified in Greyhounds Australasia Rule 140(a), being a permanently banned prohibited substance pursuant to Greyhounds Australasia Rule 139(1); and
2. Sample 529405 collected from See You Again whilst out of competition on 10 April 2024, which sample was shown to contain 5b-androstane-3a 17b-diol at a level above the regulatory threshold specified in Greyhounds Australasia Rule 140(a), being a permanently banned prohibited substance pursuant to Greyhounds Australasia Rule 139(1),

with Mr Adam Memorey being the licensed trainer of the greyhound See You Again at the relevant times.

After considering the evidence currently before them, and hearing oral submissions from Mr Memorey, the stewards imposed an interim suspension upon the trainer licence and owner registration of Mr Memorey pursuant to Greyhounds Australasia Rule 169(5)(c) pending the outcome of the stewards' inquiry due to the serious nature of the permanently banned prohibited substance 5b-androstane-3a 17b-diol.

Stewards further directed that the greyhound See You Again not be permitted to compete in, or be nominated for, any Event pursuant to Greyhounds Australasia Rule 169(5)(a) pending the outcome of the stewards' inquiry.

For clarity, Greyhounds Australasia Rule 169(5)(a) and 169(5)(c) provide:

*Pending the decision or outcome of an inquiry or other disciplinary process, a Controlling Body or the Stewards may direct that:*

*(a) if the inquiry or other disciplinary process directly or indirectly involves or is connected with a greyhound, that the greyhound is not permitted to compete in or be nominated for any Event;*

...

*(c) a registration, licence, or other type of authority or permission be suspended.*

Further, stewards permitted Mr Memorey seven (7) days from 28 May 2024 to transfer all greyhounds from his care and custody, with stewards permission being required for each transfer.

Mr Memorey was advised of his right to a review of the decision.
